
The *FREE* Executor Seminar

I'm happy to let you know of a free Executor Seminar—the seminar is extremely well done, highly informative, and fast-paced—the positive feedback that I've been hearing has been overwhelming.

The seminar, sponsored by Assurant Life of Canada, is aimed at people who have written a will and named an executor or plans do so in the near future.

We provide practical steps to ensure the executor is faced with as little stress and cost as possible.

Everyone benefits from this topic....as it really does “make things easier for those we love.”
