

# Funeral pre-planning...

offers peace of mind by recording your wishes and documenting your preferences - we help make the really difficult decisions easier... *it's one less thing to worry about.*

## We will make it easy for you...

The Funeral Planner mandate is to provide clear straightforward information on all aspects of funeral pre-planning. This includes documenting the type of funeral, the ceremony, and any special requests tailored to your needs.

Our Funeral Planner Representatives offer assistance and counselling in all areas of funeral pre-planning and pre-funding and there are no consulting fees for our services.

## The *away-from-home* protection plan

If a death should occur while travelling, returning the deceased to their home can be an expensive and complicated process - this plan takes care of all the details and costs.

This brochure is published for general distribution as a public service. If it is received in a home where sickness exists or a recent bereavement has been suffered, this is certainly unintentional.

For more pre-planning information please complete the form below and mail, no postage required.
